

**WORKPLACE**  
A JOURNAL FOR ACADEMIC LABOR

#9  
October 2002

ISSN 1715-0094

**Recognition of Marc Bousquet, founding Editor:**

*Workplace* would like to announce the retirement of its founding editor, **Marc Bousquet**, without whose vision and commitment neither the collective nor the journal would exist.

The new general editorship includes Christopher Carter, Gordon Lafer, Gary Rhoades, and E. Wayne Ross, with regular support from Eileen Schell. Bill Vaughn remains Book Reviews editor, while Katherine Wills maintains our “Breaking News” section.
